## WINE OF THE MONTH

### *Valpolicella DOC 2021, Agostino*

*A new cuvee from our favourite Veneto producer, Vicentini Agostino. Family owned and run, this brother and sister team produce wines of finesse and high quality, from vineyards between the town of Soave and Lake Garda.*

*This Valpolicella is bursting with bright cherry fruit and hints of pomegranate. Completely unoaked, it's lively and fresh and a wonderful wine to accompany the forthcoming Springtime!*
