ANTIPASTI

Soave Classico, Vicentini Agostino, Veneto

175ml

Bright citrus fruits abound in the glass, alongside blossom and chamomile aromas. A lemon intensity on the palate leads to a vibrant finish. The crisp acidity is the key here in balancing the wine.

PRIMI

Langhe Arnesi, Briccotondo, Piemonte

175ml

Arneis is one of the key white grape varieties from the Piemonte, NW Italy. Zesty, slightly nutty and demonstrating a lovely weight and texture.

SECONDI

Rosso Piceno, Valle del Sole, Le Marche

175ml

A very small, organic producer based in the Marche region in Central Italy. A blend of Montepulciano (grown predominantly in the Marche and Abruzzo regions) and Sangiovese, this wine shows plenty of depth of flavour.

DOLCE

Aleatico di Puglia, Candido, Puglia

A powerful dessert wine from Puglia in Southern Italy. Aleatico is closely linked with Muscat, which creates some of the world's best dessert wines. The intense dried raisin and sweet cherry flavours is developed over a long, warm growing season.
